DEF-44007 Defender Corrosion Control Module Limited Warranty

TERMS & CONDITIONS

Warranty Application Requirements:

- 1) You must install within 90 days of purchasing the Defender DEF-44007 Module.
- 2) DEF-44007 Module must be correctly installed.
- 3) Off-Road Equipment must be 12 months old or newer.
- 4) Trailers (Boat, Horse, Utility, etc.) must be 12 months old or newer.
- 5) Vehicles (Autos, Trucks, SUVs, and Vans) must be 36 months old or newer.

DEF-44007 Corrosion Control Module Limited Warranty:

TPI, Inc. warrants the effectiveness of the Defender DEF-44007 Corrosion Control Module against corrosion perforation of the frame, body panels or load areas. If corrosion perforation occurs as described above, then the damaged area will be repaired as determined by the Warranty Record Centre. The warranty is for a period of two (2) years from the date that the DEF-44007 Module was installed and registered. The aggregate limit for all combined claims submitted during the term of this warranty coverage is \$2,000. The Defender DEF-44007 Module is warranted against defects in manufacturing and workmanship for 2 years from the date of purchase. This warranty excludes failure due to improper installation, abrasion or abuse. Warranty is limited to the replacement of the Defender DEF-44007 Module only.

Additional Warranty Applications: Compliance Required Within The Final 30 Days Of The Initial Warranty Term:

- a) The owner must provide proof of purchase of 8 new "C" type batteries.
- b) The owner must install all 8 brand new batteries in the DEF-44007 Module within the final 30 days of the warranty term.
- c) The original receipt of the battery purchase and the completed, downloaded installation coupon must be mailed in by registered mail or must be faxed or must be e-mailed within +/- 60 days of the warranty term.
- d) All conditions listed must be adhered to or application will be denied.

Maximum Number Of Warranty Applications Allowed After The Initial Term Is Completed:

Up to Four additional Warranty Applications are allowed.

Exclusions:

01. Areas not listed.
02. Any damage that would be covered under the manufacturer's warranty.
03. Any damage that would be covered under the owner's home or auto insurance policy.
04. Loss of time, inconvenience or loss of use of vehicle or other incidental or consequential damages.
05. Improper installation, abrasion or abuse.
06. Owner's indifference, negligence or carelessness in reporting any damage that would be covered within 30 days of noticing said damage.
07. Color matching of the repaired area as the age of the off-road equipment, trailer or vehicle may not allow this.

The Defender Module Warranty is Underwritten for TPI Inc. Details are available upon request. Warranty Administration is by the Warranty Record Center Inc.
